STAT

Dear Friend:

STAT

I have received both of your letters and thank you very much for your kindness in sending them. The letter from [ ] was pretty interesting, and I was delighted to have received it. It was most informative.

As regards things where you are now, we are still in the same state as before. I don't know when the impasse can be solved, but, as soon as we do, I shall be most pleased to get in touch with you right away.

It is always a pleasure to hear from you. Meanwhile with best wishes, believe me,

Sincerely,

S/R/HN - Dick 3 Jul 47.
